

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans & Policy Staff

DATE: 8 March 1956

FROM : Chief, Intelligence School

SUBJECT: Weekly Activities Report No. 10
29 February - 7 March 1956

I. SIGNIFICANT ITEMS

1. It has come to the attention of the CWC staff that in a certain country of the Middle East, graduates of the Course on World Communism now occupy key positions in USIA and in our own station. Civilian and military personnel of the National Security Service of that country were also instructed in communism by the CWC staff on one of their overseas training missions. The present U.S. Ambassador was a sponsor of one of the first overseas training programs in a European country.

This concentration of trained personnel may afford an opportunity to appraise the effectiveness of our communism training programs. The CWC staff proposes to explore ways and means of conducting a survey in cooperation with the three independent services concerned with CP activities in that country.

I. OTHER ACTIVITIES

1. JOTs [] have been assigned to the CWC staff for the remainder of this week. They are preparing selective bibliographies for both general reading and special research projects.

3. [] visited the Naval Intelligence School, 6 March. The faculty of NIS had expressed great interest in the recent issue of Studies in Intelligence which contains [] articles on capabilities. [] explained the objectives
